KONRAD PANITZ

Drafting Contractor

B. Design (Arch.) Hon 2B

ABN No.

12 248 177 037

ABOUT

Konrad Panitz has great experience in 3D modelling and software, as a Content Creator for Revit. He also has experience in fast paced concept design work for feasibility reports and design reports.

Architecturally his experience has been mostly in Design Documentation working on various residential & commercial projects. Preparing DA Documents for Retail & Civic Projects.

With a board skillset within a large firm, Konrad has been working primarily as a utility/problem solver in projects, helping dedicated teams meet deadlines & milestones. Which has exposed him to various workflows, designs and projects.
